NOTES: The term "members" includes all regular and associate Exchange members, and member firms, general, special and limited partners in member firms, and voting and non-voting stockholders in member corporations. All odd-lot transactions are handled by specialists, and their round-lot purchases and sales for odd-lot accounts are not segregated from their other round-lot transactions. In odd-lot transactions, customers' purchases are specialists' sales and customers' sales are specialists' purchases. All sales totals include short sales. All figures include warrants.

Figures are rounded and will not necessarily add to totals.
